What We Do In Drama Club

Drama Club has 2 components. There is an acting troupe and a tech/production team. The acting troupe will learn and practice acting techniques, play theatre games and perform in our winter (February) production. The tech/production team will learn about our available production equipment, practice setup,

and work on set, lighting and sound for our winter production. We are hoping to go to at least one live show together as well. Every member will receive a Drama Club t-shirt.
